Excitement is mounting as the fencing alongside Albrecht Street continues. Very soon this area will be accessible to Friends of Westdene Park members to visit and enjoy the nature on our doorstep. Access points will be in Albrecht Street (top and bottom), Reyger Street and General Hertzog. Gates will be locked and access codes will be provided to the gate closest to your residence. If you haven't made a donation then please consider becoming a Friend of Westdene Park through an annual fee. Once the fence is erected then we will commence with clean up operations and clearing of walking trails. See you on the trail!

WNA Bowls Day A Big Hit

The Annual WNA Bowls Day took place on Friday 9 May at Munsies Bowling Club in Westdene. 26 teams entered making for a full house with much fun had by all. Team building with lots of laughter and important networking took place amongst the participants. We are grateful to Munsies for providing their facility to the WNA at no charge and to all our team sponsors and prizes donors. Over 50 prizes were awarded including some very special prizes for humorous team members! As the WNA we appreciate your support at this fundraiser towards essential projects in Westdene.

Thank you for Bowling for Westdene...

Teams: Furniture Fair, Rossouw Plumbers, National Real Estate, Sean Pautz Biokinetics, Bouncing Bowls, MFI, Lovius Block Inc., JL Jordaan Attorneys, Bloemsec, Bezuidenhouts Inc., SA Trust Consultants, Raubex, Consult Westdene, Masthead, Tau Pele, JR1146

Relating to security issues, please make use of the [WNA Crime Group](#)  on WhatsApp. Our security partners ProForce, Bloemsec, Fidelity ADT & Senforce monitor this group directly from their Control Rooms and this is the quickest way to obtain assistance. Let's all be the eyes of the suburb and report anything suspicious. We are trying to resuscitate the Community Police Forum for Sector 2 (Westdene, Brandwag & Willows) and would welcome anybody willing to assist with patrols in conjunction with SAPS, Metro Police and our security partners. Contact me if you would like to get involved in keeping Westdene safer.
